RIVER TEES HOSPITAL SCHOOL INSPIRING ALUMNI WHERE ARE THEY NOW?

“Even though my stay at RTMAT was relatively short, the staff made an immense impact on my life. The staff were so approachable and supportive and I was able to communicate my needs freely to them and they would find ways to implement them. Staff at school understood and accepted me for who I am. I got my GCSE’s, something that I may not have managed in a mainstream school setting, this has enabled me to access an Equine course at Askham Bryan College which will lead to a successful future. I will always be forever grateful to the amazing staff at River Tees.””
