## Year 11 Curriculum Offer

At River Tees Hospital School, we understand that Year 11 is a pivotal year for our pupils, especially those facing health challenges. Our curriculum is designed to provide a supportive and enriching educational experience that caters to the unique needs of each pupil.

We offer a bespoke curriculum that not only aligns with national standards but also prioritises the wellbeing and personal development of our pupils. Our aim is to ensure that every pupil can achieve their academic potential while receiving the necessary support for their health and emotional needs.

Our Year 11 curriculum includes a range of subjects, tailored assessments, and innovative teaching methods that foster engagement and motivation. We work closely with pupils, parents, and healthcare providers to create personal development plans that facilitate a smooth transition back to mainstream education or specialised pathways.

Through our commitment to high-quality education, we empower our pupils to become resilient, confident and aspirational individuals ready to make a positive impact in their communities. At River Tees Hospital School, we believe that every pupil can thrive, and we are dedicated to changing lives through education.
